Description of incident (point form):

The Bluewater Bridge received the following alert from CBSA and the OPP.

- Western Region Provincial Liason Team(OPP) has been assigned the task to look into the potential for a Semi Truck Slowdown at Canada's border crossings. Information received is that there are a couple of truck drivers organizing this event over TikTok to occur Sun January 23rd, 2022.
- The group will start at the 402 west bound marker and proceed westbound to exit 2 - Front Street.
- They will loop around to the eastbound 402 and utilize the Petro-Can truck stop at exit 9 – Airport Road
- They will continue to loop during the daytime for up to 10 hrs a shift.
- OPP will not authorize any speeds less than the posted speed. Protesters suggested they will be travelling at 90km/h
- Protesters stated they want to run this until the government mandate ends.
- Widespread protests targeting Calgary, Saskatchewan, Winnipeg, Windsor and Sarnia
